Nina's Holidays

Hi! My name is Nina. I can say that my summer holidays were wonderful. I went to some places in Russia and travelled abroad. I'd like to tell you about Sochi.

We went to Sochi all together — my parents, my sister and I. We travelled from Moscow by plane. You see, my mum doesn't like trains and my dad hates to drive.

A lot of people come to Sochi for their holidays. The place is very green and beautiful. It has comfortable hotels. Some of them are old and some are new. Our hotel was one of the best. It was new and modern, but it wasn't very big. The hotel was near the sea and we enjoyed swimming every day. The weather was hot and sunny and the water in the Black Sea was warm in July.

We had dinner in the hotel. After dinner we liked to read books or play games. Then we walked in the city or went to the sea again. In the evenings we watched films and talked.

We had a very good time in Sochi. I'd like to go there again. My dad says that the best time to visit Sochi is in

- 2** **A.** Read the text and say why the girl liked her summer holidays.

Last summer my friend's family went to the Black Sea by car and they took me with them. Kate is my best friend and it was really wonderful to travel together. Our way to the sea was not short. We visited a lot of small Russian towns and some big cities before we got there. We met a lot of interesting people. We began to understand how big and beautiful our country is. The sea was wonderful but it was not black. It was blue in the morning and dark green in the afternoon. The weather was sunny and hot. We lived in a tent and had a good time. Sometimes we played volleyball, read books and helped Kate's mother to cook. I think they were the best holidays in my life.

- M** **B.** Read the sentences. Which facts are true, false or not stated in the text?

- 2) This person was abroad in summer.
- 3) This person did some things together with his/her parents.
- 4) This person did some things together with his/her friends.

a) I'm Alina. I like to go to the country when I'm on holidays. My grandparents live near a big lake. I often go to the lake with my friends Kate and Lucy. My friends and I swim in the clean water of the lake, play volleyball and other games. When we are tired, we sit down and talk, read books and eat our sandwiches. The best thing about holidays is that I can do what I want.

b) My name is Slava. My parents like travelling and I often go to different places with them. Last summer we went abroad and visited some big cities in England. I liked Liverpool best. Liverpool is the place where *The Beatles*¹ were born. I love their songs very much. There is a museum² of *The Beatles* in Liverpool. I went there on the first day of our visit. It was very interesting.

c) I'm Denis. Slava and I are friends. I enjoy travelling too. I would like to go to Africa some day. I want to see its plants, birds and animals. Now I'm reading books about Africa. I want to know as much as I can about this place. I think the best way to travel in Africa is by car. From a car you can see more than from a train or a plane. That is why I'm planning to learn to drive a car when I'm older.

d) I'm Pauline. All my family likes to go to a small place on the Volga. We go there every summer. We like this place: it is very beautiful and there are not many people there. There are a lot of fish in the Volga and my dad likes fishing. I often go fishing with him. We usually fish from a small boat early in the morning. In the afternoon I help my mum to cook fish for dinner.

Julie: What about your holidays, Ann? Did you go to the Black Sea with your parents?

Ann: No, I didn't. I lived with my grandparents in the country in June and July and in August my cousin Lucy took me to Greece.

Julie: Was that your first visit abroad?

Ann: No, it wasn't. Three years ago my family travelled in Italy. We visited Rome and some smaller towns of the country. I liked those holidays very much.

Julie: And what do you think of Greece? Which country is more interesting?

Ann: I don't know. Greece and Italy are very old countries. They have a lot of interesting places: cities and towns, many beautiful squares, streets and houses. In Italy we had a room at the hotel but in Greece I lived with my cousin's family. It was wonderful.

Julie: You're lucky. I think I'll go to Greece or Italy some day too.
